

BRONCO CHAIR GUIDE

Mission Critical. Mission Comfortable.

At Winsted we understand that Mission Critical Control Rooms are high-stress environments, and those standing watch work long shifts to support the mission. That's why the right chair is a critical part of the operator's environment. Chairs built and warranted for 24/7 intensive use with heavy-duty steel base construction and all the key ergonomic adjustments.

The Bronco is a top-tier, heavy-duty, 24/7 operator/executive chair. This full leather chair is built to last with high end materials and all the ergonomic adjustments you will ever need. This chair is like a comfy pair of boots, once the leather breaks in you will never want to leave it.
